

Join Our Club

We meet on the first Saturday of the month at 11:00 AM at the American Polish Cultural Center located at 2975 East Maple Road (15 Mile Road) at Dequindre Road in Troy, Michigan. Visit the PANS Club website at www.pans-club.org for details. We currently have 10 meetings per year (August through May) with 2 months off during the summer. The Polish American Numismatic Society also plans a Christmas Oplatek Dinner during the Holiday Season.

Meeting agendas include business matters and informative lectures from renowned guest speakers on topics including error and variety coins, significant coins in Polish history, Hamtramck scrip, coin photography. Open and lively member discussions about US and Polish numismatics are encouraged. Of course, the meeting would not be complete without coffee and delicious Polish pastries.

The Polish American Numismatic Society hosts two very successful public coin show at the American Polish Cultural Center. Our primary show always takes place on the third Sunday of February. PANS has also hosted a second show in August. Shows have been co-hosted with other clubs in the region.

If you have any interest in numismatics, please attend a meeting and sign up as a member. PANS dues are only \$15.00 per year. PANS Club Membership is a great way to meet collectors with similar interests and knowledgeable dealers willing to share their experiences in a hobby that we all enjoy. To become a member-in-good-standing, plan to attend a minimum of 5 meetings per year and perform club-related duties at PANS Club sponsored Coin Shows.

Membership Application

I hereby make application for membership in the Polish American Numismatic Society, subject to the rules and regulations set forth in the Constitution and By-laws.
